Provided that the superintendent of the School for the Deaf shall not be authorized to dismiss any teacher, except by consent of the Board of Control and shall not be authorized to reduce the salary of any teacher, except with the consent of the Board of Control.

Section 3. The appropriations herein made are expressly made upon a basis that the one receiving any salary or part thereof shall render service of not less than five actual teaching hours per day for an average of five days in a week for the current term of said institution and any salary or payment hereafter fixed shall be correspondingly proportionately reduced where a less number of hours per week is rendered.

Section 4. The Board of Regents of the University of Texas shall fix or cause to be fixed on or before September 1, 1923, the prices of rents to be collected monthly in advance on all houses and other rental property acquired by the University Land Acquisition Board, which rentals shall be paid into University Building Fund as now provided by law.

Section 6. That each and every employee of each and every institution or department herein named shall be paid by vouchers issued in his or her name; said voucher shall state the amount of salary or sum due, and for what services performed or goods delivered or articles sold, with the date and time of said service, or purpose for which due, and no money or moneys shall be paid by the State Treasurer except upon presentation of said voucher or vouchers endorsed by the payee; provided further that all of said vouchers upon which any money or moneys have been paid shall be filed with the Comptroller for the inspection of the Governor and the Legislature or by their authority, or by any citizen of this State, and provided further, that correct accounts shall be kept for all sums paid, or obligations outstanding against each item of appropriation herein, and weekly statements of the net balances to the credit of each account, after all payments made and obligations outstanding have been deducted, shall be forwarded to the State Comptroller.

Provided that no money herein or hereby appropriated for any purpose shall be paid to any person directly or indirectly who is not at the time of receiving such pay, remuneration or emolument, a citizen of the United States under the laws of the United States, provided, however, that this Act shall not apply to any person who is not a citizen of the United States under the naturalization laws of the United States who has resided in Texas for a period of ten years, and who shall, within thirty days after this Act shall take effect, make application to become a citizen of the United States, under the naturalization laws of the United States.

Section 9. The fact that appropriations made by the Thirty-eighth Legislature in the First and Second Called Sessions exceed the available revenues in such large proportion and the near approach of the date of adjournment of this Called Session, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and said rule is so suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.
